## Chaplain Brent Crosswhite's Ministry...

### Greetings from Fort Bragg, NC,

Things are really busy here in my new job. I have a lot to get to know and people to meet but it's a lot of fun. Should be traveling a lot during my new job with so many different folks deployed worldwide. The family enjoyed a little downtime in between jobs. My oldest earned his Air Assault Badge at Fort Benning, GA a couple of weeks ago, and my middle child heads off to Army Basic Training at the end of the month.

Ministry has been good and trying. I officiated over two funerals for people within our chapel congregation. My former unit lost a service member which has required a lot of my time for pastoral care.

Overall things are going well and ministry is good, as we are still serving at the Airborne Artillery Memorial Chapel on Fort Bragg and leading worship each week.

This next quarter will be busier than ever with learning how to be a supervisory chaplain and also providing ministry to two battalions within my brigade that are currently without chaplains.

Thank you for the support and love.

New orders to Fort Bragg and becoming the BDE Chaplain for the 528 Special Operations Sustainment Brigade (Airborne) which is right across the street of where I work now. I'll get to continue to work within the community which I have grown to love. I should be promoting sometime in the month of March then transitioning to the new job in July.

Pictured on the left is Chaplain Candidate Lance Hanbey and the young adults he has been working with at Cross Tower Church of Christ. He will soon be moving from Utah to Johnson City, Tennessee to continue his education at Emmanuel Christian Seminary.

Pictured on the right is Bart and Dominique Wilt and family who are serving in Germany and enjoying the 12th CAB Griffin Week at their base.

Chaplain Bart Wilt and wife Dominique serving in Germany have made lifetime friends while living abroad. Dominique has her own ministry to the spouses there and recently they honored her with a birthday party and gifted her and Bart with a night away without the kids. Their current Bible Study, 'Doing Life' has blessed so many there.

Happy Birthday Dominique and thank you for what you do for others.

Jason English who lives in Paris, France distributes over 400 Bibles to cadets graduating. They have been serving the past few months at Maxwell Air Force Base in Alabama where Jason is serving as a Chaplain to Air Force ROTC Cadets. Jason and wife Nathalie Lievin take great joy and honor in participating on graduation day.

22 Cadets accepted Christ as their Lord and Savior and 2 Cadets rededicated their lives to Christ. Over 800 Bibles has been passed out to Cadets over this time. 80 plus Cadets have been counseled and restored to mental and spiritual health by God's grace.

They would appreciate your continued prayers and spiritual support as they enter into their last month of ministry here.

### **Acts 20:24**

*"But none of these things move me; nor do I count my life dear to myself, so that I may finish my race with joy, and the ministry which I received from the Lord Jesus, to testify to the gospel of the grace of God."*

Chaplain Lehr is a full time Staff Chaplain at Veterans Affairs and also a Army Reserve Chaplain.

Soldiers of the 56th are up before the sun. There is always work to do, and 'early to rise' is the only way to accomplish the mission.
